## Manager's Report

Happy New Year! As you are making your new resolutions for the year 2009 we ask that you consider Pettijohn Springs Christian Camp. Resolve to pray for God's guidance and blessings. Resolve to volunteer when and where you can. Resolve to support the camp in some financial way this year. And if you haven't visited the camp lately, resolve to come and see all the exciting things going on at PSCC.

We are gearing up for another busy camping season. Camper applications for the Summer of '09 will be mailed in the next few days. Session directors are getting their programs ready. The "Winter Quest" retreat will be out here this weekend. There are several more retreats scheduled for January and February. There are still some dates available if you want to schedule the camp. Call the office for more details.

The PSCC website at [www.pettijohnsprings.com](http://www.pettijohnsprings.com) looks a little different.. We are learning how to design and maintain that site. Be patient with us as we grow in knowledge and understanding of the technology. You should be able to get all the information you need for this coming summer from there. If you need anything else, do not hesitate to contact us either by email or telephone. We are here to help.

The Summer Session calendar has been set. Returning this summer are your favorite sessions like Reach Week, Camp J.A.M., Floyd Johnson's longest living camp director session, Beginner week and others. There is a new session this summer. Tracy Mussett from the Valiant church is the director and their week is June 21-27. Be sure and get your camper signed up early. Several of these sessions fill up early and close. If that happens to you, take a look at another session—summer camp is a great experience whenever you go.

Speaking of volunteers—we are working with several to build a new pavilion down by the springs and spring pool. In every long-range plan for the camp that we have seen this area has been planned as an area for meditation and reflection. So, we are developing it to be an accessible and beautiful area. This would not be possible without those willing to give their time and effort to the project. We will be putting some benches and picnic tables in this area, also. If you would like to sponsor a bench to be placed around the "Reflection Pool", please contact the office.

May the Lord's blessings be on you all in 2009.

*Stuart and Laurie Bailey*

### THE PEOPLE OF PETTIJOHN SPRINGS (Part 5)

Pettijohn Springs Christian Camp has been dependent on people of faith and vision from its very beginning. For 39 years campers have enjoyed an enriching spiritual experience in a beautiful setting because men and women were willing to dedicate their time and money to provide an environment for that very purpose.

**Ronnie Dennis** is an elder in the Stratford church. He has been a member of the PSCC Board of Directors for more than 15 years. Retired now, Ronnie spends a lot of time traveling on mission trips. He has special skills that he shares with the camp and is always quick to volunteer his expertise when needed. His interest in young people has prompted him to be a PSCC Board member and his vision for the camp includes maintaining the spiritual integrity of the camp. He sees the mission of PSCC as, "Bringing young people to Christ and providing lasting Christian friendships and experiences."

Ronnie has had some serious health problems over the last few months. We request your prayers for his complete recovery and return to active service in the Lord.

These are the springs that the camp is named for. With the new pavilion in place this will be a beautiful spot for campers to visit. Want to help?  
We need benches to go around the pool.
