

There are three large flowerbeds at the entrance of the camp. Four small flowerbeds are located at the

office building. The Memorial Pergola has a flowerbed that

surrounds three sides of that structure. Other

potential spots for flowers and/or plants are located at the Dining Hall, the "Little Chapel",

and around some of the cabins. If you or your group would like to work in a specific area, please note that on your registration form.

You will want to visit the lower "springs" area and see the improvements and new pavilion there.

There are benches for you to sit and relax while "reflecting" on the wonderful things happening at PSCC.

# Pettijohn Springs Christian Camp Second Annual Ladies' Work Retreat

Hosted by the Tishomingo Ladies

# April 16-17, 2010

*May God give you more and more grace and peace as you grow in your knowledge of God and Jesus our Lord.*

*In view of all this, make every effort to respond to God's promises. Supplement your faith with a generous provision of moral excellence, and moral excellence with knowledge, and knowledge with self-control, and self-control with patient endurance, and patient endurance with godliness, and godliness with brotherly affection, and brotherly affection with love for everyone.*

*The more you grow like this, the more productive and useful you will be in your knowledge of our Lord Jesus Christ.*

2 Peter 1:2; 5-8

Spring is a time for renewal. The birds return. The grass turns green. Gardens are planted. Flowers bloom, both in the wild and in our gardens. Join us at Pettijohn Springs Christian Camp this Spring and be renewed! Come and help renew PSCC!

This is your special invitation to help our gardens grow!

On April 16th and 17th we want to get our flower beds ready for the Spring and Summer season. Come and bring some flowers to plant in our beautiful flower beds or hanging baskets for the pergola. **There will be a "White Elephant" sale to benefit the camp kitchen, so bring things for that as well.**

There is no cost for this retreat—only the flowers you bring. Get together with the Ladies in your congregation to plan a section of one of our flower beds. Perennials and annuals are welcome.

Don't miss this opportunity to volunteer and dig in the dirt for a worthy cause.
