Manager's Report

The camp is looking great...in the month of October we had over 14 inches of rain. The lake is up and looks super. The flower beds are still blooming and the grass is still green. October and November have been busy with retreat. We like it when it is busy!

The Memorial Bench sign is now displayed at the Reflection Pond. Also, the sign for the "Passmore Pavilion" is finished and ready to hang. A huge "Thank you" to John Anthony from Tishomingo for his efforts on the new signs.

The Pettijohn Springs Board of Directors is considering some new changes for the camp. They are reviewing the needs of the current programs and the vision for the future. Please continue to keep them in your prayers as they make these decisions. The year 2011 marks the 40th anniversary of PSCC. Plans are already being made to

celebrate our blessings.

As you all know, PSCC was hit this last summer with a setback. We lost two weeks of summer camp—one of those weeks was due to an outbreak of the H1N1 among the staff of Camp J.A.M. While the camp is in a position to absorb this loss, it is a loss and does affect our progress here. As the year's end is approaching quickly, we would remind you that PSCC is a 503 (c) organization and your donations are tax deductible. If you are looking to

donate money for tax purposes, please consider Pettijohn Springs Christian Camp. Enclosed you will find an envelope to send your donation. Great things are taking place here for the glory of God and the furtherance of His kingdom. **Stuart and Laurie Bailey**

THE PEOPLE OF PETTIJOHN SPRINGS (Part 7)

Pettijohn Springs Christian Camp has needed people of faith and vision from its very beginning. For 39 years campers have enjoyed an enriching spiritual experience in a beautiful setting because men and women were willing to dedicate their time and money to provide an environment for that very purpose.

Randy McAdoo has been a member of the Board of Directors for more than 5 years. He owns Pharmacy Plus in Madill and is the camp's resource for first aid and medical supplies during the summer sessions. Randy lives in Ardmore and worships with the Maxwell Ave. Church of Christ. He was encouraged to serve on the Board by Richard Jones, Francis Nelson and Alan Ortloff. He believes the mission of PSCC is to provide a facility for churches in our area to camp and retreat. His vision for PSCC includes upgrading the entire facility to enhance and optimize the camper's experience here. Thank you, Randy, for your service to Pettijohn Springs Christian Camp.
